ESTABLISHMENT OF A \$3 BIG RED CARD FEE

Introduced: March 8, 1994

- Purpose:** To establish a \$3 fee to be assessed to students to aid in the expansion of the Big Red Card program.
- Whereas:** The Big Red Card is currently in phase one of the program and there are two more phases to be completed, and
- Whereas:** Funding from the University will not be available to incorporate the expansion of the program, and
- Whereas:** The next phase of the Big Red Card will include operating systems on vending machines, copying machines, and laundry facilities, and
- Whereas:** The expansion of this program will aid students in the purchasing of goods and services on campus, without having to carry excessive amounts of cash, and
- Whereas:** The Big Red Card is a new and innovative idea at Western Kentucky University, and this fee will illustrate the importance of continuing funding for the expansion of this project, and
- Whereas:** Students were surveyed and were very favorable of the proposed fee.
- Therefore:** Be it resolved, that we, the members of the Student Government Association, do hereby request the University to establish a \$3 fee to be assessed to full-time students for the 1994 fall semester and the 1995 spring semester for the purpose of expanding on the Big Red Card.

Furthermore: We recommend that the Auxiliary Services assess a smaller fee to part-time students attending classes at the main campus of Western Kentucky University.
